**A VALUABLE TRACT OF LAND
DIRECTLY OPPOSITE FORT GRAHAM, FOR
SALE.**

I AM instructed by the owner, to offer for sale, six hundred and forty acres of land, situated on the RIVER BRAZOS, DIRECTLY OPPOSITE FORT GRAHAM. It is needless to give a description of the eligibility of its location; the purity of its waters, gushing forth from never-failing springs; the fertility of its soil; the excellent quality of its timber, or the magnificent Building Site to be found on this tract, as we presume that those who may wish to obtain a Tract of Land, combining all the advantages that nature can bestow, will examine it before purchasing—we shall, therefore, only remark that from its proximity to Fort Graham, a cash market will be found for every description of grain, fruit or vegetables, that could be produced, at prices that would afford a fair remuneration for the outlay of capital and labor, bestowed in their production. Within the limits of the tract offered, is the mouth of Steels creek, and immediately above, one of the best fords on the Brazos river. To a farmer, who understands his business, the possession of this tract of land, would secure an independent fortune.

Agent.**
