

Austin July 14.th 1854

C. S. C. Robertson Esqr
 Jr. Sir

Permit me to introduce to you my friend and neighbor Mr. Shaw who visits your county hoping to suit himself in a tract of land for settlement. I have flattered him that out of our partnership lands or your own or those in your neighborhood he could certainly be suited.

I have spoken to him of the lands of Dr. Levi Jones, lying below ours, which please show him if he desires to see them.

Any service that you can be to him in facilitating his wishes will very much oblige him and be duly acknowledged & reciprocated by myself.

Should he settle in your neighborhood, you will be pleased both with himself & family. Will find him a perfect gentleman and splendid planter. Take the trouble to make him known to my friend Blair if convenient.

Your friend &c.
 Tho. St. Jones
