On the Salado - Bell County

My dear Sir

I find that you have returned to the
General Land office 1920 acre Bounty claim in the name of George
J. W. Thayer -

I have been written to by the Heirs

about this claim - to attend to the same - Have you any transfer

which or how did it come into your hands - do you know of the Par

ty that placed it in your hands holds a transfer I am thus partic

ular in making Enquiry as I think that this is a valuable tract

and therefore do not wish to move in the premises until I could

confer with you - Do you know what has become of the

Donation and Headright of E. J. W. Thayer

Your early reply will oblige

Yours truly
