

General Land Office
Austin March 31st 1857.

C. S. Robertson Esqr
Salado, Texas

Dear Sir,

In examining the
claim conflicting with your Maria Rosa Brus-
tia survey I find that it will not hold against
your location; and have determined to patent
the latter. So you need put yourself to no fur-
ther trouble about correcting it. The patent
will be ready in a few days.

Yours truly

Robt. M. Elgin.
