Bro Zool the Bover of this note tells me  
that He Expected to hear of you as He  
Returned to Austin & i thought i would  
take the liberty to let you know how  
things are going here, this is a certain Gashed  
Pocket Bover that says this your agents  
Such Agents as He is i am very much  
inclined to think will be greatly to your  
disadvantage & time will prove this to you  
He has all the money he has off  
& put up on his own lot, & He has  
been giving some 2 or 3 notices to some have  
to leave the houses they got of Doctor  
Stiner & i wish to no whether you have  
made him your agent & if  
so my opinion is that you had better  
look to your interests there as one  
good citizen moved away since you left  
on the account of the way things are  
carried on here & i no of men that  
would of thought that did no because  
they understood He was to be your agent here  
& what i now say to you time will prove all  
this, i never expect to have any interests here  
after my time is out, & i should do to  
had it not been for this man i would of  
gelled here but as it now is i would live in  
the place if you would give it all to me
