Dear Sir

Last
Spring when Capt J C Lynch left here with a
dose of horses I gave him a certificate for a
league of land transferred to Mrs Mary Jane
Pucket. Mrs Pucket resides in Miss. & sent the
certificate to me to ascertain if it was genuine
Capt Lynch was staying at my house at the time
I recd it & stated that you were familiar with
all matters connected with the land office & propos-
ed to take it up & get you to examine into the
validity of the claim & report to me. I have not heard
from him since he left here. I have recd several
letters from Doct Pucket upon the subject of the certificate
Will you have the kindness to give me all the informa-
tion you can upon this subject. I would be pleased
to learn something of Capt Lynch & his success with
his horses also the health of his family. present my
kind regards to Lynch & Mrs L. both of whom are old
acquaintance.

Very truly

Your obt Servt
