Col Robertson

Dear Sir

I have never had the pleasure of an acquaintance with you personally though I know you well by reputation, & I know you will excuse this uncerimonious way of introduction when I state to you the object of my letter. It is this. During last winter I purchased a small tract of Land of Maj. Whitier in Falls Co. Situated one half mile South of his residence & adjoining yours & Leaps block on the West, within 2 or 3 hundred yards of a little creek - called Fish Creek and as I am a little scarce of timber I wish to get a little timber off of your land,

The timber I want is such
as is necessary in the im-
provement of a little place,
a few rails, a few boards
& perhaps a few cabin logs,
I wish to get it along
down on the creek below my
field. And if you will have
the kindness to grant me the
privilege of doing so, I will
settle with you when I see
you, & pay you whatever you
think is right & be much ob-
liged to you besides. And I
assure you that your timber
shall not be destroyed by me
or mine,

I have already taken
the liberty of getting a little
timber off your premises -
hoping that you would be here
before now.

Will you please
have the kindness to answer
this letter as soon as con-
venient. Most Respectfully
H. A. Sugg
