your of the
14th inst was duly rec^d. I cannot
tell what the Condition of the John Webb
Estate, is at this time; when I was
down last fall. I thought it would
be able to pay all debts in full as
the Estate had gained a very important
suit in the Dist Court; but the
Case was reversed by the Supreme
Court. and it is now doubtful, whether
it will pay them the "two bits" to the
dollar. I shall go down to Corsicana
after our Court, & if I can get
any money I will write you on
my return. There was some money
on hand last winter & it was
Expected that it would be distributed
at the January Term, but by the
~~Enclosed letter~~ it was not as
the Probate Court decided that it
could not be done until the
suit with Younger was decided
