

Robertson October the 8th 1859

Col C. S. Robertson Dear Sir

My Object in writing you at the present is to know if you have made any disposition of the place W. D. Kible is living at further than the lease ~~him~~ took from you when you was up here last Spring if you have not. I Request you to allow me to Rent it for you after Kibles Lease is out, as there is a man here that wants to Rent it and will probably stay here for the next three years. I think he can make arrangements for House Room until Spring write me when Kibles Lease will be out as I have forgot the day, though I believe it is some time in March. Nothing New. My respects to Mrs Robertson and Family, and best wishes for your present and future prosperity and happiness.

your humble servant A. D. Martin

P.S. The Gentleman I speak of is fully responsible for any Rent he may engage for.
