Hill County Texas January the 5th 60

Mr Robertson

Dear Sir since my son John returned
 I have examined your land and it would not suit
 me to buy any except the valley and I measured
 it and there is not as many acres in it as you told
 John that you thought there was and I dont want to
 buy it unless you was here to measure it as I dont
 think that there is more than one hundred and forty or
 fifty acres in the valley. I would like to have the land
 and when you come up if we can agree we will
 trade. but I dont feel willing to do any thing untill I
 see you

Yours respectfully J. G. Walling
