

At Home 21st Nov /60

Gen. C. Sterling C. Robertson

Dr Sir

The Citizens of this neighbourhood are needing rock to build a Chimney, to our Church and School House. — We will esteem it a considerable favor, if you will grant us the privilege of getting them off of your land, somewhere above the Rocky Branch, near the old Hickory place.

Please let me know, by my son William C.

Respectfully Yours
W. A. Jones
